Project: BioMedical Solidwaste Management Facility in Tamil Nadu, India.  
Project Site: T. Pudayur, Vridhachalam, Cuddalore District

Dear

Further to our business discussion we understand that you have identified a site for project.

We also understand that you have submitted necessary details with application for permission from Government to establish the facility.

Under these circumstances we agree to offer our whole range of services and assistance within this project.

We assure to support you in establishing the proposed BioMedical Solidwaste Management Facility in Tamil Nadu, India.

With kind regards
